FROM THE FRONT OFFICE

Upcoming Parent and Teacher Conferences:

It is vitally important that you schedule a conference with your child's teacher on either November 24th or another agreed upon time. This is a great opportunity to learn about your child's progress and ask questions about our programs. Report cards do not go home until Monday, December 7th, but the teachers will have plenty of information and data on your child for the conference.

New Drainage System:

As you may have noticed there has been some excavating in the front of the school. A new storm drain and drainage pipe system has been installed to take water away from the school front entrance area. Soon a new heated gutter will be installed across the front of the building to further prevent ice and water issues at the front doors.

Flu Clinic:

We do not know when our H1N1 flu clinic will be rescheduled. You will be notified as soon as we know. Either of our school nurses, Pam Murray or Jeanne Hodsden, can help with questions regarding the vaccine or clinic.

Rockingham School Budget Meetings:

I have posted on our web site the upcoming budget meeting dates. For the location of the meetings and any changes in the schedule, check on the WNESU web site or our bulletin board in the front lobby.

PTO Highlights:

The gift wrap fund raiser did well thanks to parent support and PTO efforts. The next fundraiser is the wreath sale. Roller skating this Friday! Permission slip is attached.
